FOOD COMPLIANCE STATEMENT for CENTROSOL ABS natural

Dear Sir./Madame,

We hereby give the compliance of the raw materials used at present by CENTROPLAST Engineering Plastics GmbH for production of stock shapes mentioned above, with respect to their composition, as set out in the regulations that apply in the European Union, Germany and the United States of America for plastics used for the fabrication of finished articles intended to come in contact with foodstuffs,

- complies with the requirements of FDA Regulation 21 CFR 181.32 (acrylonitrile copolymers)
- complies with the requirements of EU directive (EU)No.10/2011

Please be so kind as to keep in mind that the responsibility for products that are produced from or with our materials and their correspondence with applicable laws is completely up to the customer.

Yours sincerely

Centroplast
Engineering Plastics GmbH
